You must be currently enrolled as a degree-seeking student in a CVPA Graduate Studies program. University policy regarding catalog requirements is based on your enrollment status:

If you have been continuously enrolled since your admission, you may request to complete the catalog degree requirements in effect at any time from your initial date of enrollment.

If you have been inactive for more than one year (two semesters), you may only elect to meet a set of catalog requirements in effect at the time of reenrollment or subsequent catalogs. You may petition the Associate Dean to graduate under an earlier catalog, but his/her decision is final and may not be appealed.

For a petition, you must attach a letter of explanation with this request.
